Subject: Request for Quotations **PR15211366**

Dear Prospective Quoter:

Enclosed is a Request for Quotations (RFQ) for “**Office supplies**”. If you would like to submit a quotation, follow the instructions in Section 3 of the solicitation, complete the required portions of the attached document, and submit it to the address shown on Standard Form 1449 that follows this letter.

The U.S. Government intends to award the Blanket Purchase Agreement(s) (BPAs) to those vendors that are technically acceptable, responsible, and clearly intend to sell products and/or services to the U.S. Government at market prices or below. Interested offerors need to know that the U.S. Government may award multiple BPAs. The U.S. Government will only award the number of BPAs that the U.S. Government believes is sufficient to meet needs and regulatory competition requirements. The U.S. Government may award the BPA(s) based on the initial offers without discussion.

Quotations are due on **June 20, 2025, at 16:00 local time**. No quotations will be accepted after this time. Proposals must be in English and incomplete proposals will not be accepted. Please submit your quotation electronically to TiranaBids@state.gov

For a quotation to be considered, you must also complete and submit the following

1. SF-1449
2. Additional information as required in Section 3
3. Compliance with evaluation factors outlined in Section 4
4. Section 5 Representations and Certifications
5. Proof of SAM Registration

Offerors should be registered in the SAM (System for Award Management) database at <https://www.sam.gov> prior to submittal of their offer/proposal as prescribed under FAR 4.1102. Registration typically takes at least two weeks to complete. Failure to be fully registered at the time of proposal submission may deem the offeror's proposal to be considered incomplete and no further consideration will be given. Therefore, offerors are highly encouraged to register immediately if they are interested in submitting a response to this requirement.

All offerors must include a completed copy of FAR **52.212-3**, Offeror Representations and Certifications - Commercial Items (MAY 2024) (**DEVIATION FEB 2025**), **all offerors must include a complete copy of this form with their offer.**

All contractors must certify that they do not operate any programs promoting DEI that violate any applicable anti-discrimination laws and agree that such certification is material for purposes of the government's

payment decision and therefore subject to the False Claims Act. See 31 U.S.C. 3729(b)(4). **All offerors must include a fully filled and signed copy of the attached CERTIFICATION REGARDING COMPLIANCE WITH APPLICABLE FEDERAL ANTI-DISCRIMINATION LAW.**

System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in agency solicitations. Examples include 52.222-25, Affirmative Action Compliance, and paragraph (d) of 52.212-3, Offeror Representations and Certifications—Commercial Products and Commercial Services. Contracting officers will not consider these representations when making award decisions or enforce requirements. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.

Sincerely,

Chris Carlisle
Contracting Officer

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and

to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
